

Ficha de Cata

DAVID MORENO

Madurado 2019

D.O.Ca. RIOJA

HARVEST CALIFICATION:

GRAPE VARIETY: 85% Tempranillo - 15% Garnacha

VOL. ALC.: 13,5°

AGEING: 6 months in American oak cask.

AVERAGE AGE OF THE VINEYARD:

More than 35 years old

LOCATION OF THE VINEYARDS:

Alto Najerilla, high altitude vineyards

SOIL: clay limy and clay ferrous

Our Tinto Madurado is a very special wine that keeps all the character, flavour and freshness of Tempranillo and Garnacha typical varieties from our area of Rioja Alta. It also expresses very slight hints of vanilla and caramel in the background. All this together is what makes this wine irresistible and easy-going, very nice.

VINEYARDS, CLIMA AND SOIL:

Garnacha and Tempranillo from Alto Najerilla, located in vineyards with an **average altitude of 600 metres**. Grapes coming **from old vines** (between 35 and 50 years old) located in **Badarán and Cárdenas**. The variety Tempranillo gives to us Wines with estructure, fine and elegant. The Garnacha gives a nice fruty expression.

The **influence of the Atlantic in this clima**, with cold winters, warm summers and long and soft autumns, causes a slow maturation, which is perfect to find what we look for in the grape. All this, makes it possible to have this wine, elegant and balanced.

The **soil**, which is mainly clay limy and clay ferrous has a balanced composition, slightly alkaline, rich in organic material, with modest water availability during summer.

DETALLES TÉCNICOS:

The grape was **manually harvested** in the middle of October, after a very exhaustive follow up of the maturation. It was **destemmed in its 100%** and then, the **temperature of the fermentation was controlled from 25 to 28 °C for arround 10 days** in order to extract all the capabilities from the varieties and the soil.

AGING:

6 months in American oak cask.

NOTAS DE CATA:

Color: Very beautiful intense violet that expresses youth.

Aroma: Intense forest fruit notes, highlighting strawberry and rasperry. It is very attractive and invites to the tasting.

On the mouth: The Garnacha grape is the main character that gives a explosion of fruity flavours.

It is **juicy, tasty and fresh** at the same time. In its way, we feel the body and a long aftertaste.
